When the pole was reached the fire had already made a good-sized hole in the pole; and, if not discovered in time, it might have caused serious damage and considerable inconvenience to the company as well as the general public. It would appear that a cigar stump hung on the road, probably by auto riders, caught fire on the dry grass and spread till it reached the pole. Although we endeavored to get the name of the kind informer (and friend of the company), the party refused to give name. Whoever the person may be, the company wishes to use this medium to express its sincere gratitude for such a marked favor.

## Puunenes Win Best Game of the Series

Baseball Looking up and Fans Again Taking Heart—Sueda Again Twirl for Paschoal's Pets.

Standing of Teams.				
	P.	W.	L.	Pct.
Paia	5	4	1	.800
Hawalei	4	2	2	.500
Puunenes	5	1	4	.200

After playing the best game of the series last Sunday the Puunene outfit bested Robinson's Paia Beauties by the close score of 6 to 5. And it was a reorganized Puunene team that did the trick. Sueda, the crack slasher of last season, who has been on Kauai for some time, was in the box, and Ito, the little Japanese catcher that did such fine work for his team last season, was at the receiving end. This was his first appearance this season and he certainly did well.

Foster and Alvin Robinson formed the Paia battery and did fine work. Fifteen of the Puunene batters took the count along the strike out route, but the wind which blew rather strong Sunday, was responsible for infield hits being turned into Texas leaguers for both sides.

Dr. Boote umpired to the pleasure and satisfaction of all. He speeded the players up some, and this was appreciated by the fans, who have stood the laxing manner of the teams long enough. Few, if any games, have started on time and the delays in the games often taking over two hours to play. If a little ginger is put into the playing and all delays possible are avoided there is no doubt that better attendances will result.

Geo. Cummings' Colts will meet the Puunenes Sunday afternoon and a lively tussle will ensue. If the Puunenes are victorious it means that the Paia's win they will again meet the Paia's, and should they win with them, each of these teams will have lost two games, and be tied for first place in the second series. A playoff will ensue and the winner will then meet the Puunenes for the championship of the season and the cup.

No one doubts the strength of the new Puunene team, and it is admitted that by the loss of some players the Hawaiis have been weakened. Still, as baseball luck is considered by many as a strong factor, Cummings may be wearing a charmed rabbit's foot, and take Sunday's game. The Puunenes will be out to win and will be there with bells on.
